## 262. ENGAGE

Go to a sold out arena concert, be there early before the show starts.

Engage The17 in instructing the audience to become a very large choir.

The17 will be individually placed around the arena.

One and only one of The17 will give instructions from the stage on what note each audience section will sing.

When instructed from the stage by this one 17 member , all other 17 members will conduct their section of audience to sing simultaneously for 5 minutes ....!

The Result ....

A large and very interesting noise on many levels will now be heard.
