## 324. NIGHTCLUBBING

Choose a city

Find a nightclub

Make arrangements

Be in the city, at the nightclub, as arranged

Usher the first 17 clients into a quiet room

Record The17 making a deep drone at a constant pitch with their voices  
for five minutes

Release The17 and wish them a good evening

Usher the second 17 clients to enter the nightclub into a quiet room

Record this 17 making simple, repetitive but rhythmic sound with their voices  
in harmony with the drone for five minutes

Release The17 and wish them a good evening

Usher the third 17 clients to enter the nightclub into a quiet room

Record this 17 making different vocal sounds which complement harmonically  
and rhythmically what has already been recorded

Release The17 and wish them a good evening

Repeat

At midnight stop recording 17s

Combine all the recordings

Use no effects

Relax

Ensure the club is silent

Turn off all the lights

Play back the recording

Delete the recording
