

SCORE

350. NO DISCOTHEKS

Take 17 people to 17 bars/pubs (no discotheks/clubs) in one night and have fun. Before tell them to listen to the sound of each bar/pub.

The next day take the 17 to a quiet room and let them reproduce the sound of the bar each of them liked best with their mouth for five minutes. They shall not talk about which bar/pub they liked the best before the recording.

Take the recording and play it at 17 bars/pubs and record it.

Played back you will listen to the sound of 17x17(=289) bars/pubs at the same time.

Serving beer while playing back the recording is optional.
