## 353. ENCORE

Gather 17 people in a room and get them to clap randomly (but if they begin to do this in unison, accept that this is just what happens).

Gather 17 people in a room with a wooden floor and get them to stamp their feet randomly (but if they begin to do this in unison, accept that this is just what happens).

Gather 17 people in a room and get them to whoop and scream randomly (but if they begin to do this in unison, accept that this is just what happens). No words may be used, just generic terms such as Woah! Woot!, Yay! etc. If anyone in the group has the specialized skill of being able to whistle loudly using two fingers in the mouth they should be encouraged to do so.

Gather 17 people in a room and get them to yell "More!" loudly and randomly (but if they begin to do this in unison, accept that this is just what happens).

Record each of the above. Combine the recordings. Gather the four 17s together to listen to the combined recordings. Delete the recordings.
