## 369. LENT

Select 17 people with above average powers of self-discipline.  
Ask them to starve themselves of information by abiding by the following rules for the next 7 days:

Do not watch television

Do not listen to the radio

Do not read factual texts

Do not partake in discussions regarding current affairs

Avoid all other sources of news and current affairs

After the 7 days

Gather The17 outside BBC Television Centre in Shepherd's Bush, London

Instruct them to imagine the possible events that could have occurred in the last seven days that they have been unaware of.

Instruct them to simultaneously make 7, 10 second busts of non verbal, vocal noise that represent the unknown news events for each of the last seven days (one for each day in chronological order)

Go home

Overdose on information
