

SCORE

77. # (unassigned)

17 people, each with the means to record and play back sound.

Each person presses record on their recording device.

Each person sings a sustained note for as long as they can hold it.

The note should be as high and as quiet as possible.

Each person plays back the sound of their recorded voice at the same time.

Each person does this 17 times.

Try to sing a higher and quieter note each time.

Pause between each cycle.

Make this pause longer each time.

Do not synchronise actions with other people.
