3. DRIVE

Choose a journey.

Record the sounds within your car or cab as you drive your journey.

Find 17 people willing to sing.

Gather The 17 together in a darkened room.

Play them the recording of the journey.

Indicate a dominant note in the recording for them to pitch to.

Ask them to open their mouths and bring forth noise.

Ask them to listen and respond to the noises being produced by the other singers.

Use your initiative.
